Junior Paddling Group Spring 2008

The River Rats The River Rats

The D.C.C. River Rats are 10 to 12 year old kids who want to try canoeing. The DCC are organising this 6 week program commencing Tuesday October 14th 2008. The sessions will be for one hour and commence at 5.45pm (on water at 6.00pm) there will be a combination of flatwater stroke development, flatwater gates and intro to white water sessions and of course just simply messing around in boats.

The first sessions will take place the mouth of the Browns River in Kingston. The whitewater sessions will take place on the Derwent River and there will one weekend on the Forth River near Devonport.
